

An aerial photograph of the Scituate High School campus. The image shows a large, multi-story school building with a flat roof, surrounded by extensive green lawns and trees. Two baseball fields are visible: one in the upper left and another in the center-right. Several parking lots with numerous cars are situated around the school building. The overall scene is captured from a high angle, providing a comprehensive view of the school's grounds.

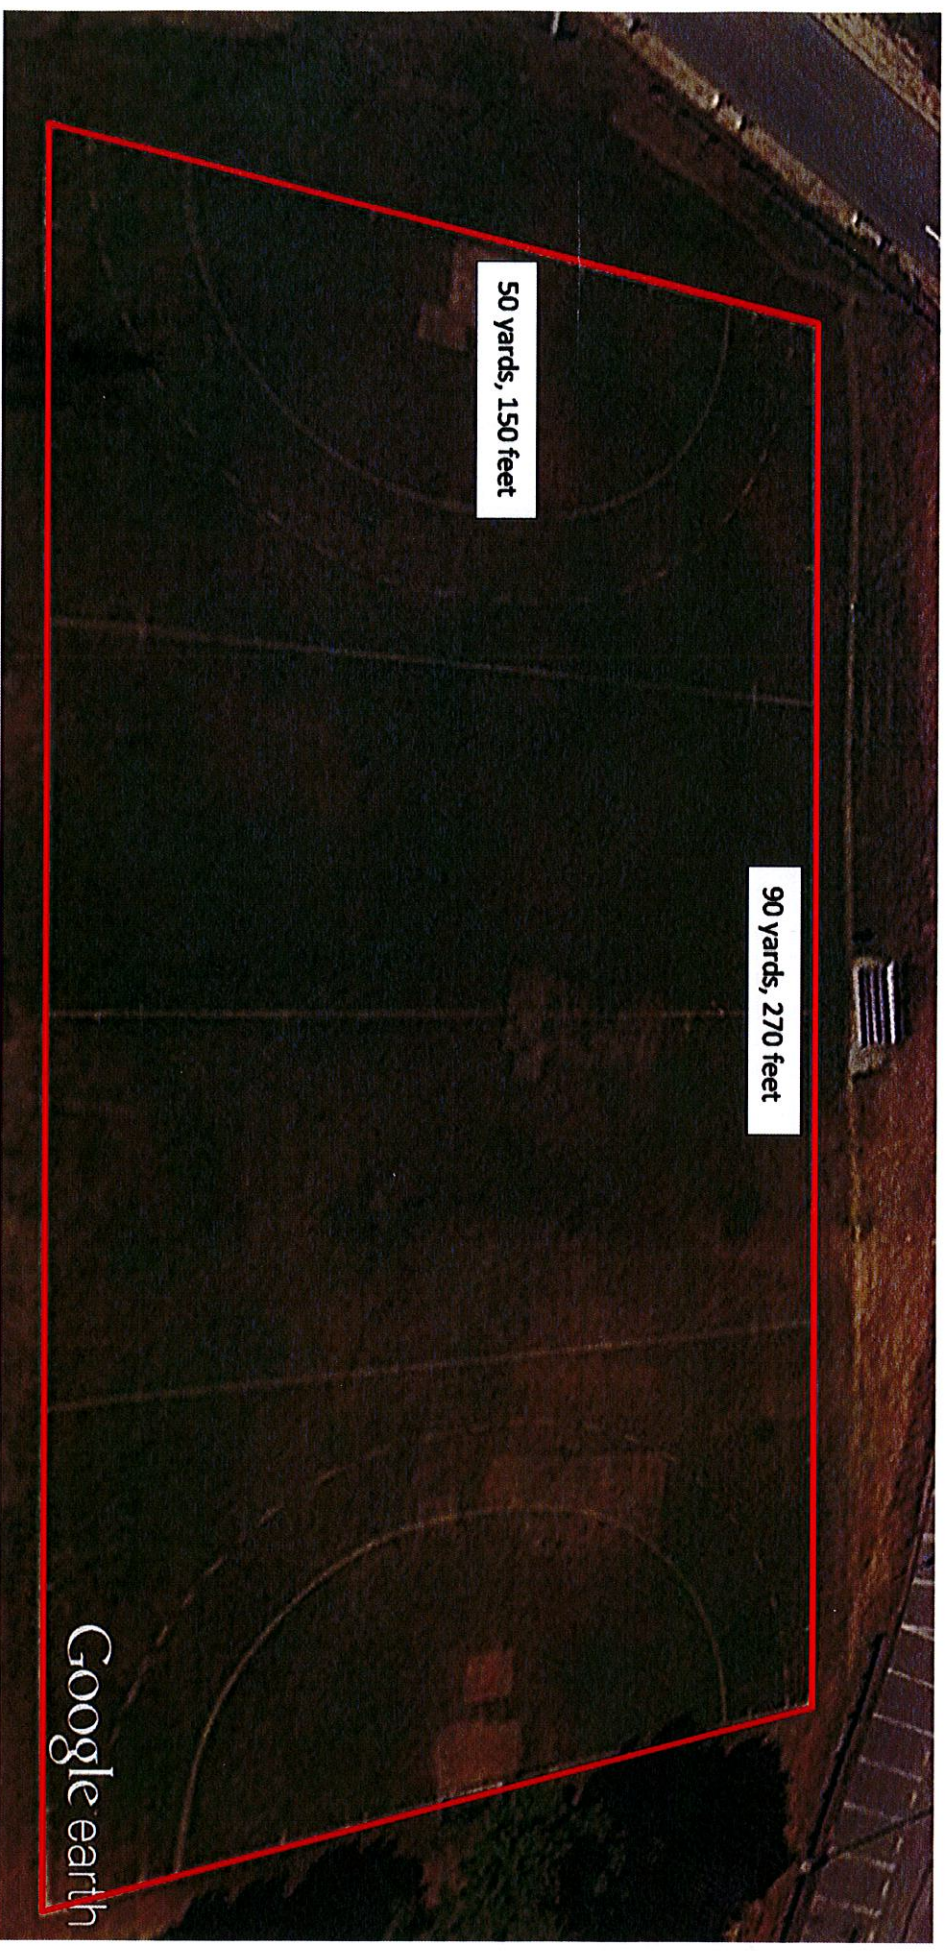

Scituate High School CPC Cushing Field Proposal

© 2015 Google

Cushing Field Hockey Field / Youth Soccer

- The field hockey field at the front of the school is being eliminated due to construction of the middle school. This proposal allows us to relocate the field to the existing under utilized an poorly maintained field located to the south of Cushing Elementary School.

Current front field at the high school.

Current Cushing Field

Costs

Shrewsbury Landscape Estimate

- Renovate Cushing Field, install irrigation; re- grade and re-sod entire field. \$95,000.
